Mr. J. W. Reagan paid a visit to Laurens this week. This old soldier didn't attend the State reunion at Aiken. He expects to go to the general reunion of the old vets in Chattanooga, May 27-29. May he and the others get to go.

Miss Carrie Grenaker of Newberry is visiting her sister, Mrs. W. F. Wright.—Tylersville cor. Laurens Advertiser. Miss Grenaker arrived at Laurens after a visit to her cousin, Mrs. A. C. Jones, in Spartanburg. She will return to Newberry on Friday.

Mr. Robert E. Leavell has returned from another of his far and successful business trips. This has nothing to do with the case, but Mr. Robert Y. Leavell has the prettiest and largest pansy patch in the country. He gave us a specimen, and as pansies are for thought, we think they are the largest and most beautiful we ever saw.

Mr. W. L. Ruff, a Newberry county boy, who has been making his home in Winnsboro, has located in Laurens. He has accepted a position, as district agent or the Mutual Benefit Life Insurance company. Mr. Ruff is a graduate of Newberry College, where he made an excellent reputation as a student and as an athlete, and will no doubt make a success in his new home.—Laurens Advertiser.

Mayes, John B. Mayes and W. H. Wallace went to Parr Shoals in three automobiles on Wednesday and spent the day there. Mr. H. J. Parr saw that they saw everything.

The friends of Mr. S. E. Boney, formerly editor of The Advertiser, will be interested in a recent change he has made from the News and Courier to the Atlanta Georgian. The Georgian was recently purchased by William Hearst and is being extensively improved. Those acquainted with the work of Mr. Boney are confident that he will make the Georgian a most capable man.—Laurens Advertiser.

Mrs. A. B. Caughman and children, of Greenville, are visiting her parents, Mr. and Mrs. T. Hutchinson. Mrs. Caughman stopping here on her return from Columbia from attending the burial of her uncle, the late J. D. Hutchinson, on Monday afternoon. From the same sad mission Mr. R. W. Hutchinson, of Catechee, and Mr. J. T. Hutchinson, of Charlotte, stopped over here for a short while the first of the week.

Mr. T. H. Flinn and his interesting family left Thursday for Lewes, Del., after a very pleasant stay in Newberry. In the beautiful building of the Newberry postoffice Mr. Flinn leaves a lasting monument. In the hearts of many citizens here Mr. Flinn and his family leave bright memories of their sojourn in the city. They enjoyed their stay in Newberry and leave with re-

gret. The people generally enjoyed their presence and are sorry to part with them. Mr. Flinn goes to Lewes on government business.

## VARIOUS AND ALL ABOUT.

We are having some fine spring weather now.

There was frost on Tuesday morning, but no damage was reported.

Quite a crowd went to the Aiken reunion, old soldiers and others.

Judge Pritchard was unable to come to Newberry to deliver his address.

Dr. Routh is still "waging a campaign" against the hookworm in Newberry county.

The Wofford baseball boys are a fine set of young men. We are always glad to see them in the city.

See "the county fair" by Calvin Crozier chapter on the nights of the 82th and 29th.

There is no more disgusting sight than the high strut of a man who won't pay his debts.

You will soon have the chance to "see yourselves as others see you," when the Newberry moving pictures are put on.

Do you realize the fact that "the county fair" will be a treat? Go to it. It will open on Monday night and close on Tuesday night.

So many automobiles, etc., have much to do with the high cost of living. Automobiles and motorcycles are ruining the country.

The new postoffice building and the airdome to open by the 1st of May, will make that neighborhood of the city most prominent.

Don't you think Newberry is improving? She is getting to be even more "cityfied" and putting on airs. There is to be an "airdome" right "in her midst."

Who owns the State.—Headline in News and Courier. Think we see him in Newberry sometimes. That is, judging by his walk, if not by his conversation.

Dr. A. J. Bowers will preach at Helena on Sunday afternoon at 4 o'clock. This announcement is always most pleasantly received by the community.

Garland Ould might operate a train from here to Columbia via the interurban. Greenville, Laurens, Little Mountain and Ballentine, returning same way.—Anderson Mail. Of course just as you say, whatever you mean.

Newberry is going to have a hand in various baseball channels this season. Among them, Mr. Oliver Heard, besides being a member of the executive committee of the new mill league organized last week at Clinton, will be one of the umpires for the season.

Newberry has a good pusher at the head of the cattle tick eradication in the person of Mr. Sam Duncan, and he has good material in the appointments of assistants as published in last issue of this paper. We now look for the complete routing of the tick.

Making a quick trip of it, Sheriff Cannon G. Bleas left for Tampa, Fla., on Saturday night and returned to Newberry on Tuesday morning, having as prisoners four colored men, Shelt Caldwell, Will Anderson, Hamp and Lindsay Maffett, now in jail, for larceny.

The Anderson Mail says that "next week Spartanburg will put on her greatest festival yet. It will be a great occasion with Amata and Shuman-Heink and a children's chorus of 200 voices as features."—Newberrians who couldn't go to Atlanta can go to Spartanburg, which is the next best thing.

We join the Catholics in being glad that the health of Pope Plus is better. He is recognized as a pious pope. And we join the Jews in being thankful for so beautiful a week for their pass-over exercises. We don't like narrow mindedness in anybody. This world is large, there is room for all, and universal peace is such a good thing.

Re "With Lee in Virginia" at the Arcade Tuesday. You will see something different. In the pictures of the past the Yankees have been getting the best. The K-B company changes the order, giving prominence to the Southerners in the scenes. All old soldiers are admitted free to the Arcade, now and at all times.

The Herald and News regrets that space will not permit of the reproduction in this issue of a very readable account of the recent flood at Dayton, Ohio, which account was handed in by an esteemed fellow citizen. It is good reading and will hold, to appear here as soon as space allows. The account was written by Judge Jones in the Piqua Daily Call and has been reprinted in other papers.

## Teachers Meeting on Saturday.—All to Start From Court House Promptly at Nine Thirty.

The teachers association will be held at Whitmire on Saturday. The good women of Whitmire and community have offered to furnish a picnic dinner. Miss Chappell will give a demonstration of her work in domestic science. Other matters will be discussed. This is the last meeting of the school year. It is very much desired that every teacher attend this meeting.

The superintendent of education says that he needs the offer of one or two more cars to carry the teachers over to Whitmire, but he feels sure that there will be no difficulty about that because he has confidence in the public spirit and patriotism of the good people of Newberry.

So far the superintendent says there are thirty six teachers who have notified him of their intention to attend this meeting. The cars will start from the court house promptly at nine thirty o'clock. All cars are asked to drive to the court house by nine o'clock and all teachers are requested to come by that time if possible, and certainly not later than nine thirty.

## To the Members of the Boys Corn Club.

On Saturday, May 10, you are requested to meet promptly at 10.30 o'clock, in the court house, to elect officers for the year, and receive information that will be beneficial in your work.

Mr. W. W. Long, State agent and superintendent of extension work of Clemson college, Mr. W. H. Barton, district agent of demonstration work, and probably others will make talks to suit the occasion.

Remember that each of you is responsible for the success of the work in Newberry county and it is my hope to see the boys second to none.

Respectfully,  
S. M. Duncan,

## The Arcade Motion Picture Company to Open Airdome About May 1.

Mr. E. H. Leslie, manager, will put up an airdome for the Newberry Arcade Motion Picture Company to begin operation about the first of May. The airdome will be located on the vacant lot between the store of Paul Johnstone and the corner building lately vacated by E. H. Summer.

The Herald and News is glad to note such evidences of the continued success of the popular Arcade, and at the same time that the growth in popularity of the Arcade is admitted the advancement of the city is conceded. Ever onward may it prove to be in the case of both the Arcade and the city.

## MILL LEAGUE SCHEDULE.

## Pennant by Young Lady of Newberry.

In the current number of the Peabody Bulletin, published by the Peabody Conservatory of Music, Baltimore, Md., is an announcement which will be pleasing to the people of Newberry. It is no less than that a design by Miss Mazie Dominick has been adopted as a pennant. While Miss Dominick was studying at the conservatory she "tried to make one," as she says, and later having "just read the suggestion in the last Bulletin that the Peabody should have a pennant," she sent "the outcome of the attempt," with the result that the design was accepted. The Bulletin says that "Miss Dominick's design was taken by Ernestine Wittig to Sisco Brothers, who made up a beautiful sample pennant, showing the Peabody colors—the seal and letter in blue on a red ground." The Bulletin goes on to suggest that all pupils who would like to secure this pennant will please send in their names to the office of either the conservatory or the annex as soon as possible.

## "THE COUNTY FAIR."

## To Be Presented at the Opera House Monday and Tuesday Nights by Calvin Crozier Chapter.

It is not necessary, or most assuredly it ought not to be necessary to do aught but call attention to the presentation of "The County Fair," by the Calvin Crozier chapter, to insure crowded houses on the nights of next Monday and Tuesday. We say it should not be necessary to do more than merely mention it. Just to state that the Calvin Crozier chapter would present a play ought to guarantee a full house, to say nothing of the noble purposes and worthy causes this patriotic band always have in view in their active life and work in Newberry, where they and their good deeds are so well known.

On the other hand, if you look at it simply in a selfish light, that you will reap much enjoyment at a very little cost, you will help swell the crowds at the opera house on next Monday and Tuesday nights, because "The County Fair" is to be a fine entertainment. By going out you will enjoy yourselves and be doing good at the same time. It is needless to say that those who go will be fully repaid, while those who stay away will regret their absence. It is needless to say more, or at least it should be. In conclusion, see "The County Fair."

Tickets on sale at Gilder & Weeks, beginning on Friday morning at nine o'clock. Prices of admission: Dress circle and parquet, 50 cents; first three rows in gallery and general admission, 35 cents; gallery, 25 cents. Tickets sold by the children may be exchanged without extra charge for reserved seats.

The opening chorus of 150 children and the closing scene with electrical effects, a very spectacular spectacle, alone are worth the prices of admission.

The reception given the seniors of Newberry college by Mr. and Mrs. Jas. P. Setzler on the 12th was one of the most delightful occasions given in our town in a long time. The decorations were all in gold and green, the class colors. Daintily hand painted place cards designated their places at the tables. Each one was given a tiny green and gold pennant as a souvenir. Misses Lurleen Aull, Lois Hipp, Marie Setzler and Elois Hipp presided at the tables. Four courses were served after which candy and salted peanuts were served from little tables. The entire class came down on the train and spent the night. The seniors made a good impression on the people of our town. We were delighted with them and hope to have them with us again in the near future.

## Before the Recorder.

Recorder Earhardt has never had a similar experience to that befalling the Varnville official who had up for trial a white woman in a whiskey case. She was fined \$100. It would be a novel sight here to see a white blind "tigress." Recorder Earhardt has had all sorts of cases, from the slums, but never a white blind "tigress."

Recorder Earhardt on Monday morning gave it to Jake Summers in the sum of \$25 or thirty days for carrying pistol of illegal size.

## A Stranger Spends Another Woman's Baby.

Editor Herald and News: A very amusing and unprecedented thing happened at the union station in Columbia one day this week, as related by an eye witness who was a stranger to all the parties concerned.

A lady was trying to quiet her child of some six or seven months of age, but without avail; the child kept crying and screaming, at the top of its little voice, and finally became perfectly stiff with passion.

A lady sitting up to one side stood the racket as long as she could, and finally did a very astounding thing; she walked up to the lady, and without saying a word, snatched the child up and gave it a good spanking, which had the desired effect.

The mother thanked her, which was a very sensible, if unusual thing to do; most mothers would have resented a stranger's interference most bitterly.

Both of these ladies' pictures should be placed in the hall of fame, the mother for being so sensible, and the stranger for bravery.

Very truly yours,

J. A. M.

## School Picnic.

On Saturday, May 3, in the grove at the residence of Mr. W. H. Folk, fine, rich section, there will be a picnic maria section, there will be a picnic by the Pressley school, of which Miss Virginia Willimon is the teacher. Speeches are expected from Mr. J. B. O'Neill Holloway, Col. E. H. Aull and Superintendent-elect Geo. D. Brown. Everybody is invited and all are requested to carry baskets with them to the picnic. That rich section of country is known among other things for its fine picnics and there is no better place for real recreation and enjoyment than in Mr. Folk's grove during the progress of a good picnic. For enjoyment and benefit go to the picnic—but don't forget the basket. The age of miracles has passed. You can't feed a great multitude of people with a few loaves of bread and several small slices of ham, even if a ham is worth \$7.

## Due Some to Newberry.

There was a successful school fair at Laurens last Friday. There are 12 schools in the county, and 66 of them were represented at the fair. The Laurens Advertiser says:

"While the Laurens city schools, because of the large number of pupils, was able to make the most comprehensive exhibits of any of the schools, the Sandy Springs school was deserving of unstinted praise because of its unusually splendid and extensive exhibit. It attracted a great deal of favorable comment."

To be ahead of Clinton and the second best, second only to Laurens city, in so large a number of excellent schools, is indeed a proud record. Newberry blood is in that Sandy Springs school—Mr. and Mrs. W. F. Wright, of Tylersville, have eight girls in it.

The Southern soldier at last gets his dues in a beautiful Southern drama, "With Lee in Virginia," in 2 reels at Arcade Tuesday, April 29. This picture is absolutely correct from a historical standpoint and every Southern man, woman, and child should make good the chance of seeing what is considered the greatest war picture ever produced.—Adv.
